

Geothermal IGSHA Accredited Drillers Training Course PLUS \$500 Tuition Subsidy Rebate Requirements

The Keystone HELP program in conjunction with the Green Energy Training Center (GETC) will provide a limited-time rebate of \$500 off the cost of tuition, per student, for the above named course, subject to available funding. ***The rebate will be paid to the Sponsoring Company unless the student is taking the course without company sponsorship, in which case the rebate will be paid to the student.***

Qualification and Process

1. Applicants must be a resident of Pennsylvania or be employed by a Sponsoring Company located in or doing business in Pennsylvania
2. The applicant must register and pay in full for the course via GETC/Lehigh Carbon Community College (LCCC) To register: www.greenenergytrainingcenter.com
3. LCCC will provide Keystone HELP program manager, AFC First Financial Corporation with a confirmed roster showing that the student has successfully completed the course.
4. Upon successful completion of the course, Applicant must submit this signed and completed form to AFC First Financial Corporation. Submit a separate form for each student to AFC First Financial Corporation, Attention Susan Moring, P.O. Box 3558, Allentown, PA 18106, smoring@afcfirst.com
5. AFC First will issue the **\$500 Tuition Subsidy Rebate** with ten days of the receipt of the form.
